[Special to The Times-Dispatch.] Bristol, Va., September 6.—Delegates and citizens of Bristol are keenly disappointed over the failure of the Washington County Democrats in to-day's convention at Abingdon to give Bristol's candidate for the House of Delegates the slightest recognition. Rev. E. C. Buck, incumbent, and A. J. Huff, a farmer of Fleet, were nominated to represent Bristol and the county in the lower house, with Bristol voting solidly for J. L. C. Thaw immediately sent word to Magistrate McKee that he would make good any amount that should be lost to the local citizen who had accepted half of Jerome's \$500 bail bond.

"I shall not pay the other \$250," said Thaw, "because that responsibility was accepted by Mr. Jerome's counsel, Mr. Hector Verrete."

"It is openly stated that an agent of yours caused Jerome's arrest," Thaw was told.

"That is not so," he replied quickly.

An Appeal to Those Suffering With Rheumatism

My Statement:

If you are a sufferer from rheumatism I know that this will be of much interest. I know if you have a relative, or friend, suffering the terrible tortures of this many-headed monster-rheumatism-that it will be equally interesting.

You would give almost any price to be relieved.

There are many so-called "cures" advertised-read what most of them require: Take three or four times a day, internally, some remedy made up with strong drugs, which I would call "dope." Read what these "cures" claim is the cause of rheumatism-

uric acid, kidney trouble, liver complaint, indigestion, etc. No one knows what uric acid is-ask your family physician. While you are talking to him, ask about these "cures" at the

same time. You have a lot of faith in his opinion. Rheumatism is a serious disease—with more serious conditions following if not checked in time. It often doubles one up, brings

on all sorts of misery, makes life almost unbearable. Nine cases out of ten require no internal treatment at all. Do not fill your system with these "cures" until you have tried

Noah's Liniment

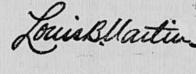

You may be one of the nine that can be helped by it-Noah's Liniment is an external treatment.

You would, if a sufferer, give \$5.00 as quickly as \$1.00 for something that would help you. All I ask you to do is to try one large size bottle of Noah's Liniment. If it does not benefit you your dealer is authorized to give back your money. Where there is not any swelling or fever Noah's Liniment will

no doubt help you. Requires very little rubbing, penetrates and does not evaporate like most external remedies. If you have read thus far you will be more interested to continue. I have personally investigated many of the testimonials

for Noah's Liniment. Not long ago I went to Charleston, S. C., to look into a remarkable case. This man, Mr. John P. Daly, was unable to raise his right arm for more than ten years until he had used Noah's Liniment. Mr. Daly is 68 years old, and is well and favorably known in Charleston. He has resided there most of his life and was

a veteran in the civil war. Mr. Daly told me his sister requested a sample by mail; then he states he purchased a 25c size bottle, and then a \$1.00 bottle, and a little more than the latter made a perfect cure.

Noah Remedy Company

Mr. Daly's Statement

"I suffered with rheumatism in my right arm and shoulder, complicated with a partial paralysis of the nerves. I tried numerous preparations with only partial relief, suffering intense pain all the time, loss of appetite, insomnia and was reduced to a mere skeleton. Fortunately I learned of Noah's Liniment and began its use. Although I could not miss my arm after using a little more could not raise my arm, after using a little more than a large size bottle I feel that I am completely cured and my old self again. Cannot too etrongly recommend Noah's Liniment."—John P. Daly,
